

CAREER PROFILE

Hello! I'm Maël Vincent, a full stack Developer. Experienced with all stages of the development cycle for dynamic web projects. Well-versed in numerous programming languages including Python, JavaScript and expert in Google Cloud Platform. I have a background in project management and customer relations.

EXPERIENCES

Freelance

2016 - Present

by myself

I developed **scalable applications** in the cloud for my customers. The most important was the development of a multi-platform ebook reader on **Google Engine, Android, iOS and desktop**. The technologies I currently use are Ruby on Rails, **Angular/Ionic 2**, GitLab (+ integrated CI).

Project Manager / Full Stack Developer

2012 - 2016

LumApps, Lyon

Products developments and **responsible of specific developments department**. Customer and Technical support was part of my job as well. We developed exclusively on the **Google Cloud Platform** to allow the best performance for the cheapest price for our customers. I'm **certified** on this platform by Google. Our technologies and tools were Java/Python, Angular, MongoDB, Jenkins and GitHub.

Software developer

2010 - 2012

AGD Informatique / MIEL Mutuelle, France

Insurance software development. Rewrite from VB6 to .NET. I was working with the Tech Leader to **rewrite the core system**. Another part of the job was to **bring up to the standards** batch processes written in C. They handle the discussion between bank and social cover.

Web developer

2010 - 5 months

ZOOMACOM, France

Maps development. A kind of precursor of Google MyMaps in regular PHP, MySQL, Apache environment. We should be able to place some point on a map and edit the information card with a WYSIWYG.

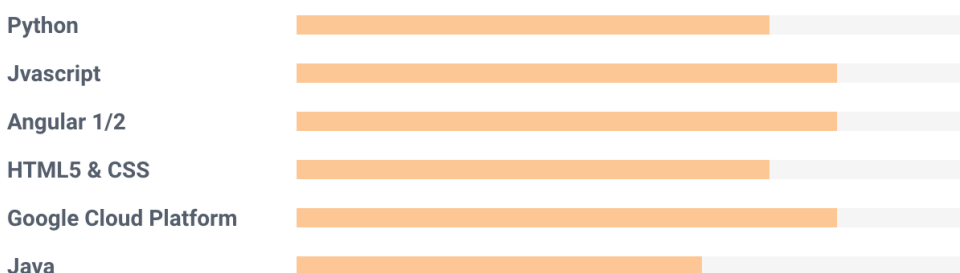

Software Developer

2008 - 2009

Crédit Agricole, France

Development of a document tracability in a legacy Electronic Document Management. The whole system was working in Java EE with Struts and Hibernate on a Tomcat. The feature consisted in the modification of all batch process with a queue system with Java Message System.
